1. Policy Statement

- 1.1. believe housing are committed to delivering a high-quality, modern and effective repairs service and to provide homes that are comfortable, maintained and safe for people to live in.
- 1.2. The primary purpose of this policy is to ensure that all believe housing staff and customers are aware, understand and are equipped with information to deliver the requirements of the repairs service.

2. Policy Aims

- 2.1. This policy recognises that a successful repairs service considers doing the right thing for believe housing's people, customers and business.
- 2.2. The policy is designed to meet the following aims and objectives:

Aims

- To deliver a great, consistent and modern repairs service
- To provide an efficient service that ensures our properties are protected and well maintained whilst maximising added value
- To ensure that all customers live in a safe and habitable environment
- To comply with relevant statutory and regulatory obligations
- To deliver the promises made within the service standards (**Appendix A**)
- To promote a culture of innovation and incorporate emerging technologies
- To respect and protect our planet through our working practices

2.3. Objectives

- To interact and listen to the feedback of customers to shape service delivery and customer experience
- To continually strive for the highest levels of performance and customer satisfaction
- To place emphasis on the quality of repair works
- To clearly define the repair responsibilities of believe housing and customers
- To provide a service that is accessible and convenient for customers
- To undertake repairs in the most efficient manner whilst adopting a right first- time ethos

3. Scope

- 3.1. This policy covers the responsive repairs and maintenance service to properties and communal areas owned and/or managed by believe housing. Excluded from this policy are rechargeable repairs, customer alterations and void repairs which will have their own policies.

4. Roles and Responsibilities

- 4.1. The Director of Property Repairs will have overall responsibility for the implementation of this policy.
- 4.2. The Repairs Operations Managers will ensure that the policy and associated procedures are embedded within the operational delivery of the repairs service and that all staff are aware of their responsibilities and are adequately trained to carry them out.
- 4.3. believe housing staff and customers will follow the policy guidelines and its approach to repairs and maintenance.

5. Legislation and Guidance

- 5.1. believe housing will deliver a repairs service that complies with regulatory and statutory obligations to ensure the health, safety and security of people and property are maintained at all times.
- 5.2. The Regulator of Social Housing (RSH) provides The Regulatory Framework for Social Housing in England from 2012 including 'The Home Standard'.
- 5.3. The key areas of legislation in this policy are:
 - Defective Premises Act 1972
 - Health and Safety at Work Act 1974
 - Building Regulations Act 1984
 - Landlord and Tenant Act 1985
 - The Secure Tenants of Local Housing Authorities (Right to Repair) Regulations 1994
 - Gas Safety (Installation and Use) Regulations 1998
 - Management of Health and Safety at Work Regulations 1999
 - Housing Act 2004
 - Housing Health and Safety Rating System 2006
 - Equality Act 2010
 - Control of Asbestos Regulations 2012
 - Data Protection Act 2018

6. Definitions

- 6.1. **'Customer'** – Any tenant or leaseholder of a property or commercial unit owned and/or managed by believe housing.
- 6.2. **'Repair'** – The process of rectifying a component or installation when it is faulty or in a state of disrepair; in a believe housing owned and/ or managed property.

7. Repair Responsibilities

- 7.1. The responsibility for repairing and maintaining homes is shared between believe housing and customers. A full list of these responsibilities, derived from the Tenancy Agreement, are detailed in **Appendix B**.
- 7.2. believe housing are committed to providing self-help guidance for repairs that are the responsibility of the customer.
- 7.3. Customers must report repairs that are the responsibility of believe housing, as soon as reasonably possible, to ensure the property does not fall into disrepair.

8. Repair Categories

- 8.1. Repairs will be classified and responded to within believe housing's repair categories and timescales.

Emergency Repairs

- 8.2. Emergency repairs are any defects that put the health, safety or security of properties, customers or anyone else at immediate risk.
- 8.3. Emergency repairs will be responded to and **made safe within 24 hours**. Where possible a full repair will be carried out, if this is not possible we will arrange a new appointment at a time convenient for the customer.

Next Convenient Appointment

- 8.4. An appointable repair is a repair that can prevent immediate damage to the property and/ or overcome inconvenience to customers.
- 8.5. Appointable repairs will be carried out within **20 working days** from the time a repair is reported to the completion of the work, at the customer's convenience.

Planned Repairs

- 8.6. There are some repairs that require specialist materials and/ or equipment and further time to complete. They can also consist of a replacement rather than a repair of a component.
- 8.7. Planned repairs will be carried out within **40 working days**.
- 8.8. believe housing also carry out planned maintenance to properties as part of wider estate investment schemes. If a property is identified for improvement works, the customer will be notified, and works can be brought forward if required.
- 8.9. Examples of repairs that fall under each response category are listed in **Appendix C**.

9. Out of Hours Emergency Repairs

9.1. Emergency repairs are available outside of day to day operating hours for repairs that pose an immediate risk to people and/ or property.

10. Reporting Repairs

10.1. Customers can report repairs in a variety of ways at a time and place that suits them.

- i Appoint via the believe customer app
- telephone
- email
- face to face
- website

10.2. believe housing's aim is to arrange a convenient appointment at first contact with the customer and complete the repair, where possible, within one visit.

10.3. Access to the repairs service will be reviewed regularly ensuring commitment to future technologies and embracing new ways of working.

11. Appointment Timescales

11.1. believe housing offer a flexible appointment system for repairs (excluding emergencies which are carried out within 24 hours).

11.2. Modern technology will be utilised to keep customers up to date with the status of their repair from reporting until completion, including 'operative on route' notifications.

12. Individual Circumstances

12.1. believe housing appreciate and embrace the diversity of customers and there will be occasions where services will need to be tailored to accommodate individuals and their needs. Every attempt will be made to identify any individual circumstances at first point of contact to ensure reasonable adjustments can be made.

13. Inspections

Pre-inspections

13.1. A pre-inspection maybe required before a repair appointment can be arranged. This will include circumstances where the scope of the repair is unknown. Following the inspection, the repair will be diagnosed and planned within the appropriate timescales.

Post-inspections

- 13.2. To ensure believe housing are delivering a high-quality repairs service and committed to added value, a sample of completed repairs will be inspected regularly.

14. No Access

- 14.1. In the event that believe housing are unable to gain access due to the customer not being home for a repair, the customer will be notified that the repair has been cancelled and to contact believe housing to raise another appointment.
- 14.2. Where a no access occurs and the repair is related to health and safety matters or materials have been ordered, the repair will stay open to allow time to make contact to rebook the repair.
- 14.3. believe housing will monitor no accessed visits to ensure a property does not fall into disrepair.

15. Rechargeable Repairs

- 15.1. Damage that has been caused by a customer, their family members or visitors to a property, may be rechargeable. A rechargeable repair is defined as, '*repairs that are above and beyond normal wear and tear, and arise from abuse, accidental damage, neglect or deliberate and/or malicious damage*'.
- 15.2. Rechargeable repairs are underpinned by the tenancy agreement which will enable believe housing to recover the costs resulting from customers who fail to meet their obligations.

16. Customer led alterations

- 16.1. Where customers have carried out alterations or improvements to a property and written permission has been sought, believe housing will not be responsible for carrying out repairs unless this has been previously agreed and in writing.

17. High Levels of Repairs

- 17.1. Where a customer has reported a high level of repairs over a set period of time, an inspection will be carried out to the property to determine the cause of the repairs. The inspection will identify whether further repairs should be raised.

18. Leaseholders

- 18.1. Leaseholders should refer to their leasehold agreements for details of their repairs and maintenance responsibilities.

19. Commercial Properties

- 19.1. Customers of commercial properties owned and/or managed by believe housing should refer to their contractual and/or tenancy agreement for details of their repairs and maintenance responsibilities.

20. Cyclical Maintenance

- 20.1. believe housing have statutory obligations to carry out compliance related safety checks.

Gas & Solid Fuel Servicing

- 20.2. All properties that contain gas appliances will be serviced on an annual basis and properties containing solid fuel appliances will be serviced every six months.

Electrical Periodic Testing

- 20.3. Every five years a full electrical safety test will be undertaken to all properties.

21. Performance & Customer Satisfaction

- 21.1. believe housing will collate and monitor performance information in relation to repairs strategic key performance indicators.
- 21.2. Customer satisfaction testing will be conducted regularly on a random selection of completed repairs.
- 21.3. Feedback and analysis will be used to identify trends and to continuously improve service delivery.

22. Monitoring and Review

- 22.1. This policy will be reviewed every three years unless there is a significant incident, important change in circumstances or legislation which would warrant a review being carried out at an earlier date.

23. Links to other Policies and Procedures

- 23.1. This document should also be read in conjunction with:
- Aids and adaptations policy
 - Customer Led Alterations Policy
 - Asbestos Management Policy
 - Legionella Policy
 - Fire Management Policy
 - Complaints, Compensation and Compliments Policy
 - Gas, Solid Fuel and Electrical Safety Policy
