Summary:

This is a low risk product when control measures are in place. General hazard would be from skin contact, eye contact or ingestion. Careful application will reduce the likelihood of illness and injury.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do.

Continue rinsing. IF ON SKIN: Wash with plenty of water. If skin irritation or rash occurs: Get medical advice/attention. Keep only in the original container. Keep containers upright.
