REPORTING TO:	Team Leader
RESPONSIBLE FOR:	No Direct Reports

ROLE SUMMARY

To ensure the Property Repairs Team is developed as a flagship service that is great, consistent and modern.

You will be required to demonstrate relevant trade skills and knowledge through the provision of a high-quality service achieving recognised industry and believe housing standards.

To deliver a first class, effective, customer orientated service to internal and external stakeholders whilst maximising high standards of health and safety, performance and value for money. All aspects of the role will be undertaken using a multi skilled approach to complement our right first-time ethos.

MAIN DUTIES & RESPONSIBILITIES

Specific objectives and deliverables will be agreed as part of your performance and development review (PDR), the points below are a summary of your main duties and responsibilities.

DELIVERY

1. Undertake all aspects of the role, in a way that is agile, flexible and meets customer demand, ensuring that the vision and goals of the Property Repairs Team are achieved.
2. Adopting a multi – skilled whole job approach to completing repairs, that achieves believe housing and recognised industry standards of compliance, quality and customer satisfaction.
3. Manage all risks and health and safety in your area of responsibility in line with current legislation and regulations, organisational H&S policy, risk assessments and safe working practises whilst actively demonstrating the removal and/or reduction of risk where possible
4. Take responsibility and ownership for individual performance, productivity and high standards of work ensuring a positive 'can-do' attitude.

5. Act as an ambassador, delivering a great property experience and excellent customer service to all stakeholders.
6. Responsible for problem solving and prioritisation of work whilst balancing customer need, risk, availability of resources.
7. Adhere to all operational policies, procedures and protocols.
8. To operate ICT hardware and systems in line with protocols, in an effective and efficient way, receiving and updating accurate and relative information when required and in real time.
9. Take responsibility for all organisational equipment issued e.g. company vehicle, plant, electronic equipment etc.
10. To manage impressed van stock and replenishments in an effective and efficient way.
11. Contribute to the continuous improvement of the service, by suggesting initiatives that may improve service delivery and working positively to champion, develop and implement any new ideas / processes that are introduced.
12. Undertake organisational and vocational training as required, and share skills with others including mentoring trainees.

TEAM WORK

13. Working collaboratively with colleagues across the business to ensure that Property Repairs is seen as an innovative, modern and forward-thinking directorate.
14. Act as a role model for the organisation's values and culture in line with the values and behaviour framework.
15. Through innovation, learning and collaboration, support and embed a culture of business improvement.
16. Build and maintain effective internal and external relationships at all times.

ORGANISATION WIDE

17. Live the organisation's values and behaviours.
18. Deliver financially viable and economically effective services, seeking to gain maximum benefit from the use of resources and increasing social value.
19. Ensure that services fully comply with all organisational, legal and regulatory policies and procedures.

20. Be responsible with the property repairs management team for the effective utilisation of organisational assets and resources.
21. . Comply with organisational confidentiality, data and information security policies at all times.
22. Do the right thing for Our People, Our Business and Our Customers.

Your duties may vary from time to time within the broad remit of your role and grade. You are required to undertake any such reasonable and appropriate duties.
