Fire Extinguisher

rvice Provider (SP101)

Inspection by the user: It is recommended that regular visual inspections of all extinguishers be carried out by the user or by user's representative. The frequency of inspections by the user should be not less than monthly and, when circumstances require, inspections should be carried out more frequently. Apart from the non confirming extinguishers as recorded, all portable fire extinguishers have been inspected and serviced in accordance with BS503 PT9 and BS5306 Part 3. Terms Subject to HUTTON FIRE PROTECTION Standard published conditions of sale, applicable to the goods or services described above. Copy available on request.
